\* These items are essential, as well as the usual receipt requirements. Receipts should include provider details (include name, practice address, contact details), business details (business name, ABN), member details (name, address), service details (receipt number, date of service, explanation of the type of service) and payment details (itemised account, account paid in full / outstanding).

\*\* We recommend you contact the fund to confirm your registration.

1. If you work across multiple practices/ locations you will be required to have multiple provider numbers. A number of other health funds may also offer a rebate to their members who access AEP services. These funds can be located at [Australian Health Service Alliance](#) or the Australian Governments [Private Health Insurance Ombudsman](#).
